

START A THP GUILD

for Friendship, Purpose, and Fun!

A guild is a group of friends, family, and acquaintances who gather together to support The Horse Prayer Mission through planning and managing fundraising projects. Contact us today to get started!

What are some examples of projects? The type of fundraising project is up to you and your guild! Pick a project that your guild members will enjoy the most and fits the amount of time that you have to give. Examples include: dinners, luncheons, picnics, raffles, merchandise sales such as calendars, golf tournaments, walk-a-thons, runs, and much more.

How big does the fundraising project need to be? The size of your project is up to your guild. Projects can be planned for 5 to 100+ participants. There is no minimum amount to raise, however your project should be organized and profitable.

What is the length of commitment? We ask your guild to bring your fundraising project to successful completion—let's talk about how you would like to define "successful." We hope that your experience is overwhelmingly positive and

that your guild will want to stay together to repeat the same project or create a new project.

How many guild members should there be? Your guild can be as small as a few or as large as your guild sees fit for the project—it's really up to you!

How does a guild interact with THP staff? THP staff provide guidance throughout your planning process during regular check-ins scheduled with your guild's leaders.

How are the up-front costs covered? Any up-front costs are covered by sponsorships or donations procured by your guild members.

How do I get started? Please contact Director of Development, Wanda Wall at: thehorseprayer@gmail.com or (360) 580-5311. Let's talk about your ideas!
